

PROTEIN ANALYTICS	Not familiar	Familiar w. theoretical concept	Little time hands on skills	advanced hands on skills	Expert hands on skills
(U)HPLC					
If higher skills: please name techniques& device types (e.g. HILIC, SEC-MALS, HPAEC-PAD)					
CAPILLARY ELECTROPHORESIS (CIEF, CGE, CZE)					
If higher skills: please name techniques& devices					
MASS SPECTROMETRY					
If higher skills: please name techniques& device types (e.g. Sequence Analysis LC-ESI-MS, MALDI)					
GEL ELECTROPHORESIS					
If higher skills: please name techniques& devices (e.g. 1D Gel IEF, SDS, 2D Gels)					
ELISA					
If higher skill: please name techniques (e.g. cell based/ non-cell based)					
FURTHER TECHNIQUES					
Protein Content Determination UV-280nm					
Edman Sequencing					
Amino Acid Analysis					
Extinction coefficient/ UV VIS					
GC-MS					
CD					
FTIR					

PROTEIN ANALYTICS	Not familiar	Familiar w. theoretical concept	Little time hands on skills	advanced hands on skills	Expert hands on skills
DSC					
Fluorescence Scan (well plate based)					
<p>If there are further expertises you would like to pronounce in your application, please let us know in this section: Klicken Sie hier, um Text einzugeben.</p>
